

POWERFUL

# PROF. (DR.) RAMA PROSAD BANERJEE

**NURTURING YOUNG MINDS FOR AN ENDLESS JOURNEY TOWARDS THE UNBOUNDED HORIZONS**

*With a rich experience of about three decades in teaching and research in management and a decade long experience in the corporate sector, Prof. (Dr.) Rama Prosad Banerjee is not only shaping the future of nation by disseminating quality education but is also giving back to the society through his association with various charitable institutions*

## A TREASURE TROVE

After acquiring his postgraduate and doctoral degree in Management from the University of Calcutta, Prof. Banerjee went on to obtain his post doctoral work from Stockholm University, Sweden. Besides having lectured at more than a dozen of universities in USA, Europe and Asia as a speaker, he is associated with a number of Indian universities and has taught postgraduate students at premier B-Schools in India, including IIM Kolkata, University of Calcutta, IISWBM, IFIM, Bangalore and many others. He has been the coordinator and key speaker at the Global Leadership Conference (GLC) 2005 at IIM Calcutta, GLC-2006 at ITC Sonar Bangla Hotel, Kolkata. Under his quintessential leadership, EIILM – a leading institution for undergraduate and post-graduate courses in Management – has been consistently charting new terrains of success. He is a prolific writer and has contributed to a large number of papers in national and international journals and has authored and co-authored several books published by different Indian and foreign publishers of high repute. Some of his popular editions are 'Mother Leadership, Ethics Text & Cases', 'Working Capital Management', 'Ethics in Business and Management', 'Stress Management through Mind Engineering', 'Ved Vijnaner Gabhire: Tatwe, Prokashe', 'Kautilyer Arthashastra: Hindu Arthanitir Prastabana' and 'Living Divine Life'. He has conducted a number of national and international MDPs in the capacity of either the course director or faculty and has carried out in-house training

programs for a wide range of corporate bodies, government organizations and public sector enterprises.

## LEADING THE WAY SPIRITUALLY

As a spiritual person, Prof. Banerjee believes that the boundless potential of human beings could be unfolded through spiritual transformation of collective human consciousness. He is the editor of Bengali monthly journal 'Satyer Path', devoted to spirituality and divinity. He also delivers a spiritual public discourse (based on the Upanishads & Vedas) every Sunday on leading a divine life.

## MAKING A POSITIVE CHANGE IN SOCIETY

With the aim of giving back to the society, Prof. Banerjee is associated with various charitable institutions to serve the society in different capacities and different locations. He formed Ramakrishna Educational and Organizational Society Trust to provide charitable medical services for the poor and downtrodden people in the adjoining areas of South 24 Parganas. As the Chairman of towards Life Foundation (TLF), he is taking care of 1000 destitute children of Kolkata at different centres and providing health, education and other support to them and intends to provide micro-finance facility to their families for self-sufficiency. He collaborated with South Asian Federation of Environment to complete plantation of nearly one lakh tree saplings in and

around Kolkata to help maintain the ecological balance of the city.

## AWARDS GALORE

Prof. Banerjee has received numerous accolades and awards for his contribution as an eminent educationist. He was bestowed with 'Outstanding Contribution to Education' award by 'National Education Awards – 2018' by ABP News in July 2018. He was one of the key note speakers of World Education Congress held in hotel Pan Pacific, Singapore, opening speaker on Education for Global Consulting held in North Western University, Zurich, Switzerland and also Inaugural Key Note speaker on Global Conference held in Pennsylvania University, ( USA ) in 2012.

***"Prof. Banerjee has been consistently transforming many dreams into reality by his contribution to the education sector and through his numerous social endeavours"***
